विषय - मेरी बेटी मेधा नहरे के बलात्कार हेतु प्रार्थना पत्र

महोदय,

सविनय निवेदन है कि मेरा नाम राजकुमार नहरे है।
मैं मेरी बेटी से भयभीत हूँ। मेरी बेटी का नाम मेधा नहरे है।
जिसकी उम्र 14 वर्ष है।

कुछ समय पहले मेरी बेटी स्कूल के बस में आ गयी जिसमें उसका पिता, दादा तथा बापों की
बुरी तरह बलात्कार हो गई। जिसका इलाज "बर्न एंड ट्रामा
सिस्टम सेंटर" में चल रहा है। जिसके इलाज हेतु
लगभग 5 लाख का खर्चा आर्थिकतः बसाया गया है।
मैं गरीब आदमी हूँ।

मेरी आर्थिक स्थिति बहुत बुरा स्तर पर है।

अतः आपसे अनुरोध है कि मेरी बेटी के इलाज
हेतु आर्थिक सहायता प्रदान करने की कृपा करें।
आपकी आति कृपा होगी।

(ग्राम - बेंतरी, पोस्ट - आनन्दपुर, थाना - गुरुद्वारा
जिला - बिनासपुर, दिल्ली 110016)

प्रार्थी -

राजकुमार

Ref. No.: FRR/0013/11/2016-17

Dated: 16.11.2016

'UNNATI' (A Bihar Burn & Trauma Research Center Pvt. Ltd. Initiative)

Patient Name: Baby Megha Kumari**Sex:** Female **Age:** 4 Years**Father's Name:** Sri Raj Kumar Lahre**Address:** Village - Batri, P.O. Malhar, Bilaspur, Chhattisgarh, India**Diagnosis:** Approx 30% TBSA Thermal Burn**Date of Accident:** 12th November, 2016**Date of Admission:** 16th November, 2016**Overall Analysis:**

The patient - Baby Megha had been brought in to our Bilaspur Unit by her father - Sri Raj Kumar at 7 AM on the 16th November 2016.

The child sustained Thermal Burn Injury at a Brick Factory. The wounds have been found to be mostly 2nd & 3rd Degree Deep.

The burn injury on the front upper trunk is Deep and therefore a matter of concern. The fact that the back, hips & buttocks are safe, strongly favors the chance of survival. 'During the course of treatment we plan to follow a conservative approach and Surgical Skin Grafting procedures to close the wound post three weeks of wound care and management. Physiotherapy sessions would also be advised to achieve the best possible results and a contracture free recovery.
