## Dear Donor,

We've been significant in bringing a positive change in the lives of many needy ones. Also, we are glad to share the activities undertaken by our team in December 2019.

We are happy to showcase our efforts with a hope that maybe, it will inspire some people to push themselves out of their shell and help the helpless people. Like every month, This October we are sharing the various activities done by us. Our activities include food distribution to combat hunger, self defense camps an initiative to protect ourself, free health checkup camps etc. Fortunately, we got the chance to take these God's special kids for excursion trip.
