Like every month, This June 2021, we are sharing the various activities done by us. Our activities include **food distribution to combat hunger via nutritional food, ration kits, hygiene kits to fight against coronavirus** for needy families, comprising daily wage earners, construction workers and other informal sector workers, have for now lost their sources of income and are finding it difficult to run their households. To mitigate the crisis of Covid -19 would request all donors to stay indoor and pray for healing and safety of everyone. Thanks for your wholehearted support.
