Relief India Trust

SPREADING RELIEF, ALLEVIATING PAIN

Dear Donor,

We've been significant in bringing a positive change in the lives of many needy ones. Also, we are glad to share the activities undertaken August 2021.

We are happy to showcase our efforts with a hope that maybe, it will inspire some people to push themselves out of their shell and help the helpless people. Like every month, This Aug 2021, we are sharing the various activities done by us. Our activities include food distribution to combat hunger via nutritional food, daily food, hygiene kits to fight against coronavirus for needy families, comprising daily wage earners, construction workers and other informal sector workers, have for now lost their sources of income and are finding it difficult to run their households. To mitigate the crisis of Covid -19 would request all donors to stay indoor and pray for healing and safety of everyone. Thanks for your wholehearted support.

Thanks & Regards
